City of Ashland
Burn Permit Regulations
Ashland Volunteer Fire Department

- 1. You will receive a ticket if you do not follow all rules.**
2. Burn must be attended by an adult until fire is completely out.
3. Burning not permitted if wind exceeds ten (10) miles per hour.
4. None of the following can be burned: garbage, salvage materials, asbestos debris, construction debris, petroleum products (tar products and tar paper, shingles, asphaltic siding, etc.), chemicals, or chemical/pesticide containers.
5. No road ditches may be burned.
6. Permittee must have capability of extinguishment available: water, hose, or extinguisher.
7. Ground cover must have perimeter around it cleared of combustibles.
8. Burning may not create a nuisance to people in neighboring residences, businesses, or recreational areas, and the smoke of any burning may not obscure any public roadway.
9. No burning in City limits. Materials must be removed to burn site.
10. Certain burning must be done with a permit issued from the State of Nebraska Environmental Control and a special permit will be required if burning in Lancaster County.
11. This permit does not allow any industrial or commercial burning.
12. No burning within twenty-five (25) feet of any building, and this permit does not allow burning of buildings or structures (for which a special permit is required).
13. Fire must be extinguished one (1) hour before sunset. (Liquid petroleum products may not be used to accelerate or sustain the fire).

**You must call the Saunders County Sheriff's
Department Dispatch before you start burning and
after you're finished burning. Thank you!**
